

services

At Ananda Aged Care we pride ourselves on providing our residents with best-practice service, aiming to meet their physical, psychological and spiritual requirements. Our staff expertise, knowledge, caring and understanding approach provides day to day support and encourages residents to lead a full and enriched life, through meaningful experiences.

- Our on site chef and kitchen staff provide home style meals using market fresh ingredients. The delicious and nutritionally balanced daily menu is prepared to cater to the individual needs of our residents where possible.
- Medical reviews for all of our residents enable us to provide each of our residents with individualised care to meet their medical, health and well-being requirements.
- Onsite therapy rooms provide residents with specific care, rehabilitation or strengthening activities to aid independence and mobility.
- Residents are supported with our door to door laundry and linen service.
- Hairdressing facilities at both Findon & Hope Valley locations provide our residents with the on-site convenience of ensuring their personal care needs are met. Appointments can be booked on a regular weekly / monthly basis or as required.
- Indoor and outdoor recreation areas at both Findon and Hope Valley locations, allows residents to participate in stimulating and fulfilling lifestyle activities year round. Our Leisure and Lifestyle Coordinator arranges activities to cater to resident's needs as well as theming them to key events during the year.
- Dementia specific amenities including secure indoor and outdoor areas, enable us to cater to varying levels of care requirements.
